STAINLESS STEEL MAST TERMINALS

Shroud Terminals - Metric Wire

Benefits

Electrical upsetting with beneficial grain structure and low stress levels to reduce fatigue.

Free from structural welds which may reduce the strength and integrity of the product.

All Shrouds are manufactured from solid bar - no welding involved.

Designed to be compatible with most of the leading brands' backing plates

Inspection certificate BS EN 10204 3.1B available on request (This must be specified at the time of order).

High quality finish and excellent polish

Shroud Terminals for Metric Wire

Product Code	Wire	T	B	W	SD	HW
